Introduction

Oasis Community Learning is committed to developing the character and competence of all its students in the context of the communities in which they live. OCL believes that these are the essential components for an excellent education and that, in order for students to develop their character and competence, they must regularly attend school.

OCL recognises that attendance a safeguarding matter and that poor attendance may indicate that a student's welfare is at risk.

OCL also recognises that parents and carers have a legal duty to ensure that children of compulsory school age attend school regularly.

1. Aims of this policy

At Oasis Academy Warndon we aims to

- Ensure that all students attend school for the maximum time possible and at least to the level of national average attendance.
- Ensure that effective attendance practice is understood and implemented by all staff and is closely linked to safeguarding practice
- Promote punctuality in attendance
- Support parents and carers in their legal duty to ensure that children of compulsory school age attend school regularly

To these ends, this policy is designed to

- Promote regular attendance and reduce absence, including persistent absence
- Ensure every student has access to full time education to which they are entitled
- Act early to address patterns of absence

Application of this policy

This policy is the policy of OCL as a Multi Academy Trust. It applies to all its academies in all aspects of managing student attendance unless the policy indicates that an academy may have its own local processes in place. In these circumstances, the local processes are applicable.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with the Trust's funding agreement and articles of association.

3. Academy procedures

3.1 Attendance register

By law, all Academies are required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix A for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

At Oasis Academy Warndon we:

- Expect pupils to arrive by 08.45 a.m. for the morning session.
- In the morning the register for the first session will be taken and will be kept open until 09.10 a.m. with any lateness being recorded as such.
- The afternoon register is taken after the lunch break and no later than 1.35p.m.

3.2 Unplanned absence

Parents and carers must notify the Academy on the first day of an unplanned absence – for

example, if their child is unable to attend due to ill health – by 08.45a.m. or as soon as practically possible (see also section 6).

A parent or guardian must telephone the academy on **01905 453 530 first thing in the morning on every day of absence throughout the illness**. Please notify the academy of any infectious or contagious illness occurring in the household of a student. In such cases, a student should not attend the Academy until the incubation period has passed or a medical certificate has been submitted indicating that they are permitted to return. Please provide a letter with reason for absence on the first day the student returns to the Academy following the illness.

Absence due to illness will usually be authorised unless the school has a genuine concern about the authenticity of the illness.

The academy may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

We encourage parents and carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. We also encourage parents and carers to ensure that pupils are in the Academy to be marked as attending, before they leave for a medical or dental appointment. Students are expected to catch-up with any work missed through absence. Teachers will help students achieve this.

A parent or guardian must telephone the academy on **01905 453 530 first thing in the morning on every day of absence throughout the illness**.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the Academy can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A student who arrives late but before the register has closed will be marked as late, using the appropriate code.

A student who arrives after the register has closed will be marked as absent, using the appropriate code.

Punctuality

Arriving late to school and to lessons is very disruptive for the teacher and other class members. It

also means that late pupils themselves miss important input from teachers. **Morning registration is at 8:45am.** If, for whatever reason, your child will be arriving late, please call the office to inform us. Our registers close at **09.10am** and lateness will be recorded as an unauthorised absence for the

whole session.

A late student on arrival at the Academy must be signed in at the office.

3.5 Following up absence

Daily Absence Check

At the start of each day, the class registers are checked and if a student is absent and no communication has been received from the student's parent/guardian, then **a phone call will be made to find out the whereabouts of the student and the reason for absence.** Please note all contact numbers that have been provided to the Academy for the student will be tried and a message will be left where necessary.

Academies will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

The Academy's Attendance Officer

Mrs Finnimore is our Attendance Officer and she, along with Mrs Cooke the Safeguarding Lead, may call at your home to discuss your child's absence if there is a concern regarding attendance or the reason for the absence given is not acceptable. **The visit may be carried out unannounced.** We may also consider asking the Education Welfare Officer, Mrs Taylor to make a home visit if we are very concerned about attendance.

3.6 Children unexpectedly absent

If a child is unexpectedly absent all efforts must be made to assure their whereabouts and welfare as quickly as possible. Often this will be achieved via a call home but sometimes this may require a home visit that confirms the child's whereabouts. Principals must not accept anything short of a definitive confirmation of the child's whereabouts. The DfE guidance, 'Keeping children safe in education' has been updated from September 2018 as follows: 'Where reasonably possible, schools and colleges should hold more than one emergency contact number for each pupil or student. This goes beyond the legal minimum and is good practice to give the school or college additional options to make contact with a responsible adult when a child missing education is also identified as a welfare and/or safeguarding concern.'

3.7 Reporting to parents and carers

Academies will report student attendance to parents and carers at least once each academic year. This is typically included with the students' annual report.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Principals (or Executive and Lead Principals) may not grant any leave of absence to students during term time unless they consider there to be 'exceptional circumstances'.

Each Academy will have their own list of exceptional circumstances due to the needs of the community. However, the exceptional circumstances are likely to include the following:

- acute family trauma
- terminal illness or death of a family member
- if a family member serves in the Armed Forces - Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with school holidays
- following advice from a health professional
- out of school programmes such as music, arts or sport operating at a high standard of achievement

The Principal considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. **A leave of absence is granted entirely at the Principal's discretion.**

Valid reasons for **authorised absence** may include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision
- Part timetables agreed between the Academy and parents or carers
- Study leave for Year 11 students

4.2 Legal sanctions

Academies will fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the Principal, following the local authority's code of conduct for issuing penalty notices. This may take into account:

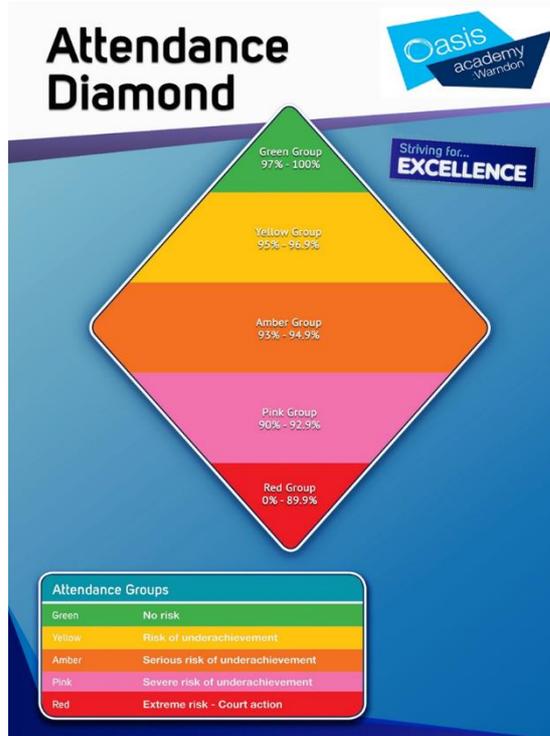

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

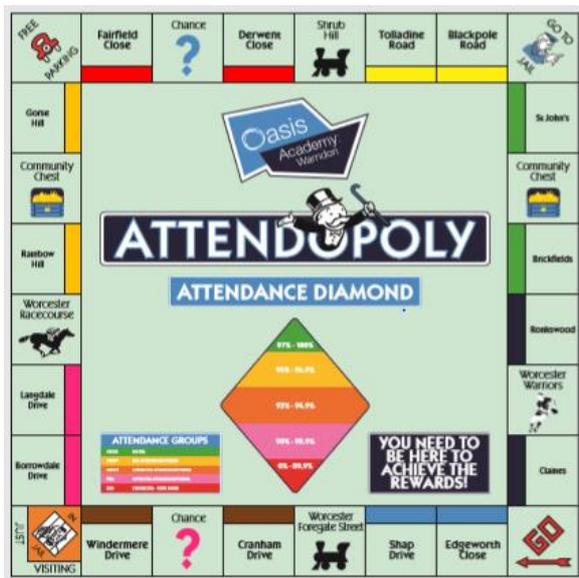

5. Strategies for promoting attendance

Each Academy will have a clear strategy to promote attendance which will include rewards, sanctions, assemblies, and meetings with parents and carers. These will be in line with those recommended by SOL Consulting and OCL Best Practice. The table below is a useful tool to share with staff and students because it clarifies the impact on learning of absence:

At Oasis Academy Attendance is monitored weekly and students record their weekly percentage Attendance in class. Classes achieving the highest attendance that week are rewarded with moving around the Attendopoly board. The top three classes in each of Reception/KS1 and KS2 are rewarded with 2, 4 or moves on the board. As the classes move around the board they achieve class rewards.

Pupils are rewarded individually with raffle tickets to encourage attendance throughout the term and a prize draw is held each half term. Lucky pupils win vouchers in this prize draw.

Each term we have attendance weeks where pupils are rewarded for 100% attendance in that week and at the end of each term pupils achieving 100% Attendance are rewarded with a Gold Award or Silver for 98.5% to 99.9% attendance and Bronze for 97% to 98.49%.

Therefore students are rewarded individually and as a class group.

6. Attendance monitoring

Academies will monitor student absence on a **daily basis**, scrutinising patterns on a **weekly** basis using the SOL Consulting / OCL Best Practice approaches to promoting attendance. However, where attendance is not yet in line with the national average then Academy leaders will scrutinise attendance **each day**.

Analysis of attendance data will include data for each group (e.g. boy, girl, SEND, Disadvantaged, Others, EAL, ethnic groups), year group, sub groups within each year group (where this is statistically useful).

Particular weeks of the academic year should be analysed as well to identify sources of poor attendance (e.g. days close to periods of holidays or days of religious celebrations). At Oasis Academy Warndon we consider carefully term dates to ensure families are able to enjoy full weeks in and out of school. Where possible we reduce the impact of regular low points of attendance during the academic year.

Academies will have clear systems in place for following up student absences. At Oasis Academy Warndon we ensure we follow-up absence fairly and consistently. We put measures in place to support families and students where patterns of absence are causing concern. However, when these measures are not successful we will escalate cases of irregular attendance to the local authority.

See Appendix X: Improving Attendance Parents Leaflet

Student-level absence data is regularly shared with the Regional Director, CEO and National Directors through the Monitoring and Standards Team. Academies whose attendance is below the previous year's national average for the phase must report their attendance to the Regional Director weekly. The Trust has the ability to monitor academy attendance nationally through its data management systems.

The CEO and RDs will regularly discuss academy attendance data through the OCL line management structure.

7. Children at Risk of Missing Education

All Academies must inform the local authority (LA) of any student who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 5 days or more. As this could be a safeguarding issue leaders should ensure that regular follow up contact is made with the LA if the whereabouts of the student is not known or communicated to the Academy. If a vulnerable child cannot be contacted on the first day of absence a home visit should be completed, a non-vulnerable by the third day of absence. This should continue until the

information has been secured. Leaders should follow the guidance issued by the Department for Education: <https://www.gov.uk/government/publications/children-missing-education>

8. Students leaving the academy and off-rolling

The OCL vision is driven through a passion and commitment to include everyone. We believe all our children and young people are precious and as such, we are keen to ensure that we track the destinations of pupils who leave each academy.

Academy leaders must ensure that detailed records are kept for students who stop attending the academy and are removed from the roll/admissions register.

Details must include (but not exclusive to):

- the student's reason for leaving,
- their destination and the destination's educational provision (e.g. name of school, home-schooling arrangements)
- group (disadvantaged, SEND, EAL, gender)
- ethnicity

Where a student moves abroad, leaders must take all reasonable steps to assure themselves that the student is moving to another school. This may include support from the Hub. This is to ensure that all students are safe and in full time education as necessary.

The Principal must meet with the student and their family, if off rolling is likely to take place. This is in order to ensure that an effective level of support has been offered to the student and family as well as ensuring that the destination of the student is known.

Leaders must ensure that students are only removed from the academy's roll/admissions register if one or more of the criteria (defined by The Education (Pupil Registration) (England) Regulations 2006; paragraph 8) are met and as describe in the Department for Education's guidance <https://www.gov.uk/government/publications/school-attendance>).

Leaders should inform their Regional Director and follow their local authority's procedures for off rolling a student, which will always involve officially notifying the local authority of the reasoning and intention to do so.

On receipt of written notification to **home educate**, Academies must inform the Regional Director and the student's Local Authority that the pupil is to be deleted from the admission register.

Parents and carers have a duty to ensure their child of compulsory school age receives suitable full time education but this does not have to be at a school.

See **Appendix** for the Off Rolling form to be used to record and monitor off rolling.

9. Roles and responsibilities

9.1 The Regional Director

The Regional Director is responsible for monitoring attendance figures for the whole school on a regular basis but no less than each half term. This will be weekly if attendance falls below the national average. The RD also holds the Principal to account for the implementation of this policy.

9.2 The Principal or Executive Principal

The Principal (or Lead / Executive Principal) is responsible for ensuring this policy is implemented consistently across the Academy, and for monitoring Academy-level absence data and reporting it as required.

The Principal also supports other staff in monitoring the attendance of individual students and issues fixed-penalty notices, where necessary.

The Principal will decide which member of staff will fulfill the role of Attendance lead in the Academy.

9.3 The Academy Attendance Lead

The attendance lead:

- Monitors attendance data at the school and individual student level daily
- Reports at least weekly (daily when attendance is below the national average) about attendance to the Principal and Regional Director (if conditions in section 6 apply)
- Follows the Academy Attendance Policy to follow up with families where attendance drops or is not yet high enough, working with relevant academy staff and external agencies

9.4 All staff

All staff are responsible for promoting good attendance. Class Teachers/Form Tutors/Teaching Assistants are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information. They will also follow the Academy Attendance Policy and work with students where there are concerns about their attendance. Academy leaders should ensure that suitable training is in place for all adults taking the register.

9.5 Office/Reception staff

Administrative staff are expected to take calls from parents and carers about absence and record it on the school system. They will also adhere to the Academy Attendance Policy and challenge information received via phone calls or emails if there is any doubt in its accuracy.

9.6 Parents

Parents are responsible (<https://www.gov.uk/government/publications/parental-responsibility-measures-for-behaviour-and-attendance>) for ensuring that children of statutory school age receive their entitlement to full-time education. Academies will work with parents to support this responsibility.

10. Monitoring of this policy

This policy will be reviewed regularly by the National Education Team (NET). The localised attendance policy should be updated annually to ensure changes in practice

have been recorded in the document.

11. Links with other policies

This policy is linked to our Child Protection and Safeguarding policy.

Re: <<legal name>> «date_of_birth» «reg» - Registered Pupil at Oasis Academy Warndon

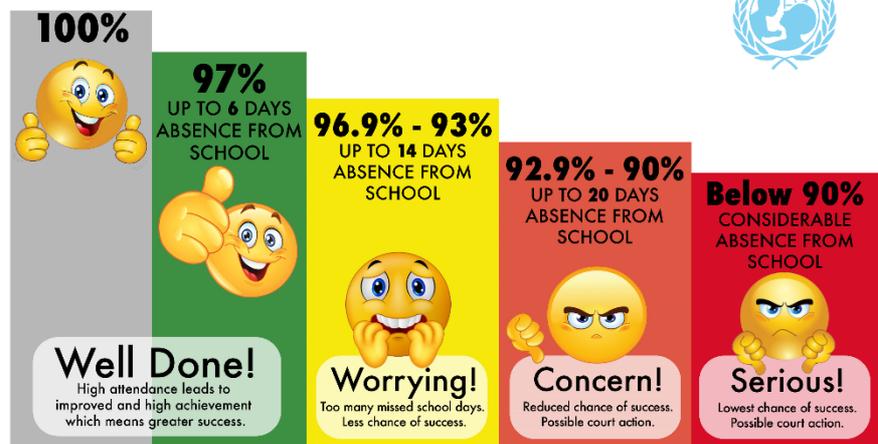

At Oasis Academy Warndon we encourage pupils to strive for excellence. For a pupil to achieve their full academic potential, a high level of attendance is essential. Pupils should aim for a minimum of 97% attendance (or no more than 5 days of absence during an academic year).

<<fist name>>'s current level of attendance is <<percent attendance>> which is below the Academy's target.

We understand that there have been occasions this year when <<fist name>> has been absent as a result of illness but due to <<first name>>'s level of absence we wanted to make you aware of the amount of learning that he/she is missing. We would like to work with you to support <<fist name>> to improve his/her attendance. If you would like to discuss this letter further, please do not hesitate to contact the Attendance team.

WHAT IS YOUR ATTENDANCE?

Right to education
(Article 28)

There are 175 non school days a year.
That's plenty of time to go on visits, holidays, shopping and other appointments.

All pupils have the opportunity to build on their attendance between now and the end of this academic year and we will discuss your son / daughter's attendance target with them regularly. Thank you for working in partnership with us to achieve the highest possible levels of attendance and punctuality at Oasis Academy Warndon.

Yours sincerely,

Re: <<legal name>> <<DOB>> «reg» - Registered Pupil at Oasis Academy Warndon

We were disappointed that you were unable to make today's meeting regarding <<first name>>'s attendance. The meeting was held in your absence and the minutes and action plan are enclosed with this letter.

You have a responsibility to ensure that «forename» attends Oasis Academy Warndon on a regular and punctual basis. **It is a criminal offence under Section 444 of the 1996 Education Act to fail to secure regular attendance of a registered pupil at school. On conviction, the magistrates' court may impose a fine of up to £2,500 or imprisonment for up to 3 months, or both. In addition, you would obtain a criminal record.**

We would like to reaffirm that we have «forename»'s best interests at heart and believe that working together offers the best chance of success.

Re: <<legal name>> «reg» <<DOB>> - Registered Pupil at Oasis Academy Warndon

We remain extremely concerned about «forename»'s attendance. At Oasis Academy Warndon we expect pupils' attendance to be 97% in order for them to achieve their full potential. «forename»'s attendance is currently only «percentage_attendance»%.

«forename» continues to miss a significant amount of learning. We have reserved an appointment for you to discuss this with a member of the Academy senior leadership team and how we can move forward:

«forename»'s attendance will continue to be closely monitored. If attendance does not improve during this monitoring period and «forename» continues to have unauthorised absences from the Academy, legal action may be taken. For this reason, we must make you aware of your legal duties.

IRREGULAR SCHOOL ATTENDANCE – FIRST NOTICE

This letter is further to my previous correspondence, and conversations with you.

As explained to you Section 444 of the Education Act, 1996 states:

“If a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school, his (her) parent is guilty of an offence.”

To confirm our discussion, you are now on notice that if your child continues to accrue unauthorised absences, we will consider referring the matter for consideration of legal enforcement action.

You are reminded that school requires medical evidence in order to authorise any absence incurred due to illness. Appropriate medical evidence can be a health professional’s note or letter, an appointment card, a prescription or sight of any medication. Whatever is produced must have the child’s name on it and a date relevant to the absence. If medical evidence is not provided an absence will remain unauthorised.

If you wish to further discuss this letter or any matters affecting your child’s ability to attend school please contact me.

Your child’s attendance will continue to be monitored closely and an immediate and sustained improvement is hoped for so that further action does not become necessary.

Yours sincerely

Principal

IRREGULAR SCHOOL ATTENDANCE - PENALTY NOTICE MONITORING

Re: Penalty Notice S.444(a) Education Act 1996 – School Non-Attendance

It has come to my attention that your child, <<full name>> <<DOB>>, has been marked as having unauthorised absence from **Oasis Academy Warndon**.

Section 444(1) of the Education Act, 1996 states:

'If a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school, his/her parent is guilty of an offence'.

If the reasons given for your child's irregular school attendance are not satisfactory, then the Local Authority may issue you with a Penalty Notice for failure to comply with the law.

On receipt of this letter you are being given the opportunity to take such steps as to ensure your child's attendance at school. The Worcestershire County Council Code of Conduct allows 15 school days from **(Enter date for the 1st day of the notice)** to **(Enter the date for the last day of notice)** inclusive, in which time <<first name>> must have no unauthorised absence.

Failure will result in us presenting this matter to the Local Authority for consideration of legal enforcement action and a Penalty Notice may be issued to you.

In pointing out the law to you in this way, I am simply making clear your obligations to your child and I hope most sincerely that you will take such steps as would render such a course of action unnecessary.

Yours sincerely

Principal

Dear «salutation»

<<name>> <<class>>

We are very pleased to be writing to say well done so far for making improvements on «forename»'s attendance this year. Despite, <<he_she>> has pulled it back/has remained at and is now at <<attendance percentage>>%, which is in the yellow/green section of our attendance diamond.

We are aware that <<forename>> was off last week due to Because attendance across the year has been good, <<forename>> is still above 96%. As long as no other absences occur and medical appointments are made out of school time <<forename>> is on track to stay in this zone and even improve further!

Keep up the good work and let's end the year in green!

Yours sincerely,

The Attendance Team

Appendix D: OFF ROLLING A PUPIL PROCEDURE

The unlawful off rolling of a pupil from an academy is a safeguarding issue. Please ensure you have confirmation of the new education provision the pupil is transferring to before removing a pupil from your roll. It is important that the whereabouts of the pupil are known before removal takes place. **The Principal must authorise any off rolling.**

If the pupil is missing please complete an LA CME form.

From September 2017, ALL roll removals, with the exception of normal transition points, unless this is requested, must be reported to the LA.

Detailed DFE guidance: <https://www.gov.uk/government/publications/pupilren-missing-education>

Main circumstances where a pupil can be removed from a school/academy roll:

- Where the pupil is registered at the school in accordance with the requirements of a school attendance order and another school is substituted by the LA.
- Where a pupil is registered at more than one school and is now registered at an alternative school.
- When the pupil has been withdrawn from the academy by parents/carers and will be educated otherwise.
- When the pupil transfers to an alternative place of education and the name and address of the new provision has been established.
- When the pupil no longer resides at a place which is at a reasonable distance from the academy.
- When the pupil has failed to return from previously authorised leave within 10 days of the agreed return date.
- When the pupil has been certified medically unfit to attend school and will remain so.
- When the pupil has been absent for 20 continuous days or more without explanation. ▪
 When the pupil is in custody for a period exceeding four months.
- When the pupil has died.
- When the pupil ceases to be of statutory school age before the academy next meets.
- When the pupil has been permanently excluded.
- When a nursery pupil is not transferring to reception or a higher class.

Appendix D: APPLICATION FOR STUDENT LEAVE OF ABSENCE

The Education (Pupil Registration) (England) Regulations 2006 make clear that Principals may not grant any leave

of absence during term time unless there are exceptional circumstances. Principals should determine the number of school days a child can be away from school if the leave is granted.

Exceptional circumstances are defined as:

- Leave for a bereavement of a close family member is usually considered an exceptional circumstance but for the funeral service only, not extended leave.
- Leave to visit family members are also not normally granted during term time. Students may however need time to visit seriously ill relatives.
- Leave for important religious observances but only for the ceremony and travelling time, not extended leave. This is intended for one off situations rather than regular or recurring events.
- Leave which takes the needs of the families of service personnel into account if they are returning from long operational tours that prevent contact during scheduled holiday time.
- Leave which makes reasonable adjustments for students with special educational needs or disabilities.
- Leave for families who may need time together to recover from trauma or crisis.

The Principal will take into account a student's previous record of attendance when making decisions. It is important to note that the Principal can determine the length of the authorised absence as well as whether absence is authorised at all.

This form should be completed to enable the Principal to decide whether to authorise the application for leave. Authorising leave from the Academy is at the discretion of the Principal. If the leave is taken without the authorisation of the Principal, a Penalty Notice will be issued.

THE ACADEMY EXPECTS EVERY STUDENT TO ACHIEVE AT LEAST 96% ATTENDANCE.
