Oversubscription criteria and Tie Break

When the school is oversubscribed, after the admission of students with an Education, Health and Care plan, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and all previously looked after children and immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. This includes those children who appear to Oasis Community Learning to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Siblings (see below for definition) of pupils attending the school and living within the catchment area of the school. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools. In the event of a school catchment area change being approved, pupils who would still have a sibling connection (see below for definition) at the time of admission and who are living at the same address in the previous catchment area for a school, (but not within the revised catchment area), at the time the change was approved will be considered as living within the catchment area
3. Pupils living outside of the catchment area but who would still have a sibling connection (see below for definition) at school at the time of admission. In order to qualify for a place on the grounds of a sibling attending the school, the sibling must already be attending the school at the time of application and still be attending at the time of admission;
4. Pupils living within the catchment area of the school. Copies of catchment area maps, if required are available from the LA, or can be viewed in schools;
5. Children of staff at the mainstream school, where that member of staff has been employed for two or more years, or is recruited to fill a post for which there is a demonstrable skill shortage
6. Pupils who live nearest to the school by the shortest straight line distance. The measurement will be taken using the GeoCode Points for each property and the GeoCode point for the School. The Local Authority uses a software package called Arcview GIS to determine distance. Ordnance Survey supplies the co-ordinates that are used to plot an address within this system. (In the event of equi-distance applicants, any place will be allocated by random selection (lottery). Someone totally independent of Children's Services will supervise this process).

Tie Breaks - Where there are more applications than there are places remaining within a particular category, the direct line distance from home to school will be used as a tie-break.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested, and the year group in which they wish their child to be allocated a place.

When such a request is made, the academy trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Principal and any supporting evidence provided by the parent.

In the first instance, please contact the academy office on 01905 453530.

Notification of outcome

Worcestershire County Council will notify parents of the outcome of their application in writing within 15 school days. Where an application is refused, the LA will set out the reason for refusal and information about the right to appeal.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact schooladmissions@worcschildrenfirst.org.uk for information on how to appeal.

Notes/Definitions

Looked after children

Looked after children are those who are in the care of a local authority or provided with accommodation by that authority under section 22 of the Children Act 1989. [1989 Children's Act](#)

In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to a school. Applicants can provide evidence demonstrating their child was previously in care to an institution acting as a Local Authority, or an organisation that supports the best interests of the community/child. In the case of previously looked after children, admission authorities may request a copy of the adoption order, child arrangements order or special guardianship order and a letter from the local authority that last looked after the child, confirming that they were looked after immediately prior to that order being made, or such evidence that demonstrates a child was in state care outside of England prior to being adopted.

Home address:

The home address is where the child spends the majority of their time and is living with the person who has parental responsibility as the main 'carer', as defined in section 576 of the Education Act 1996.

The LA will not accept more than one address as the child's home address. Where a child regularly lives at more than one address the Local Authority will have to reach a conclusion about which should be counted as the main address when allocating places, taking relevant evidence into account. Normally this will be the address where the child is registered with a medical GP. Where parents or carers are living separately and do not agree on the child's home address, they are urged to reach an agreement. If this does not happen the Local Authority will determine the address used for allocating a school place.

Sibling:

'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a stepbrother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.

Medical and Social Need:

'Social need' does not include a parent's wish that a child attends the school because of a child's aptitude or ability or because their friends attend the school. 'Medical need' does not include mild medical conditions.

Free School Meals Priority:

Those eligible for free school meals admission priority are children who:
