

Dear Parents/ Carers of _____,

In order to ensure that learning is continued, the following plan will speak you through how to access any learning if your child is self-isolating or if there is a Year group bubble closure.

All learning will be shared via **Microsoft Teams**. Your child can access this through googling Microsoft Teams (or downloading the app), and signing in using these credentials:

Username/email:

Password:

Other useful passwords

Myon Online Library	Timestable Practice	Spelling Practice
 <p>Username: Password:</p>	 <p>Username: Password:</p>	 <p>Username: Password:</p>

If your child has to self-isolate from their own or household symptoms or from Track and Trace notification

We want to make sure that children who have to self-isolate don't miss out on what their class are learning in school. To do this we are uploading the lesson slides and the work set in lessons onto Microsoft Teams each week so children can access from home.

Here is a timetable for the day at home and on the next page are the instructions for how to access the resources using the passwords above , alternatively watch the video link <https://vimeo.com/484026284>

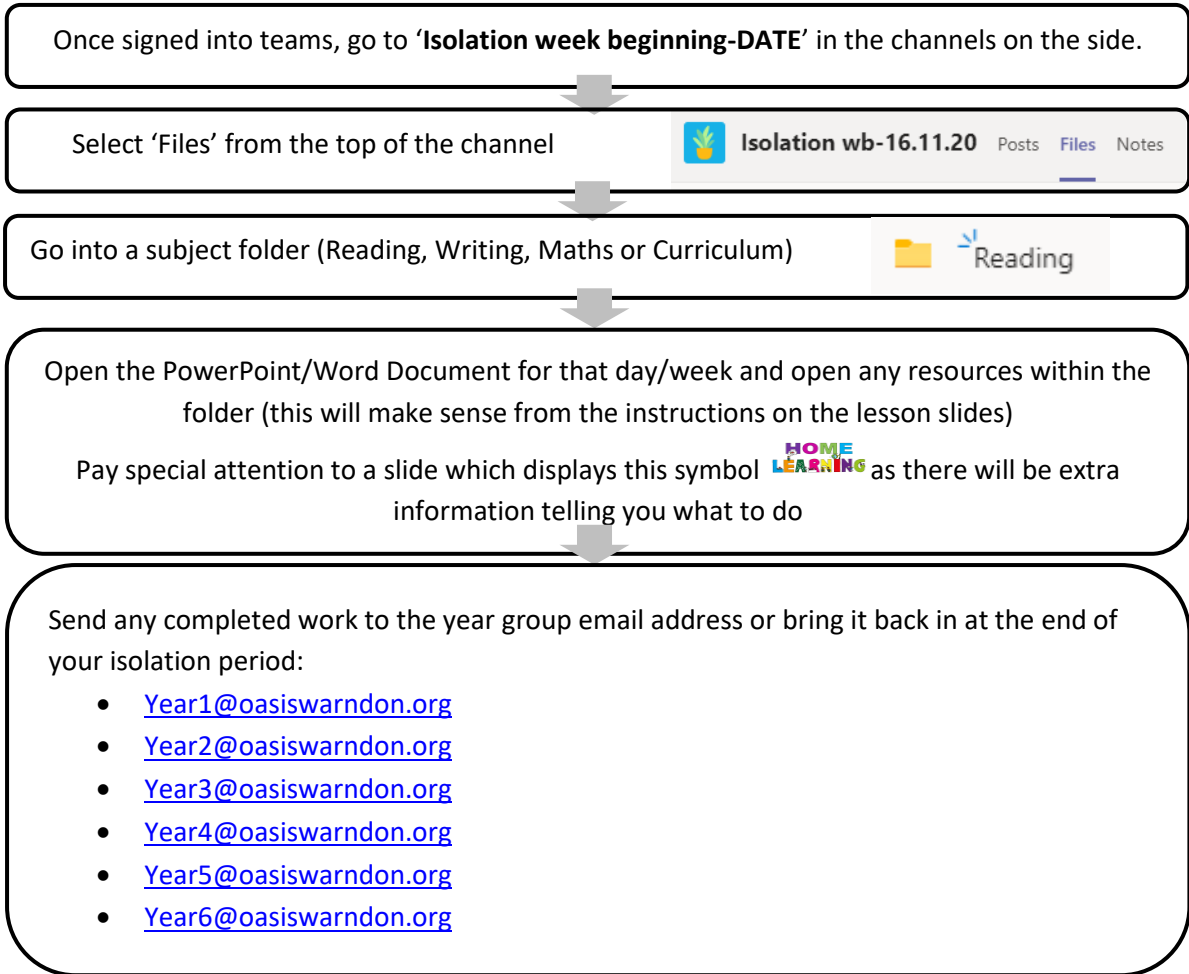

Recommended timetable:		
Monday to Thursday	9-9.30	Timestable rockstars, MyON, EdShed
	9.30-10.30	Go to the Reading folder and work your way through the lessons for the day.
	10.30-11am	Break
	11-12pm	Go to the Writing folder and work your way through the lessons for the day.
	12-1pm	Lunch
	1-2	Go to the Maths folder and work your way through the lessons for the day.
	2-3	Go to the Other subjects folder and choose a lesson each day (e.g. Music, PE and Science)
Friday all day	Go to the Curriculum folder and work your way through the lessons provided.	

Principal – Miss Emily Hobson

Edgeworth Close, Worcester, WR4 9PE

Finding the lesson resources for self-isolation:

In the event of a bubble closure:

If we must close a bubble then this means your teachers will also not be teaching in class as everyone is at home. When this happens they will be able to deliver live lessons for you to access at home and record some other lessons and also some live check in meetings where you can join on video and ask questions, say hello and have story time. They can also do any extra teaching if you've found things tricky at home. This is what a day will look like if we send a bubble home:

Follow this link to watch an explanation of using Teams if your child's bubble closes: <https://vimeo.com/484051623>
