

Dear Parents/Carers,

Here at Oasis Academy we take the safety and security of your child very seriously, as staff we have a duty of care towards your children for the whole time they are in school, and part of this is ensuring we are only releasing children to adults who have permission to collect. We appreciate that the end of the day can be a rushed time for parents, but we ask that you continue to show respect for our staff, and do not rush them, as they are keeping your child's safety as their top priority.

Children in Year 5 and 6 can walk home/ continue to walk alone from school, with parental permission. We do ask that you ensure that your child is safe to do this, that they know the safe route to and from school and that they know what to do in an emergency. In some cases, if the senior leadership team do not feel that a child is walking safely to and from school, they will revoke walking home permission and require the child to be collected. We will no longer allow children to walk to a sibling's classroom unless they have walking home permission, as we cannot guarantee where they go after they leave their room.

We are asking all parents to complete the form below to indicate who has permission to collect your child from school (please do this even if you have recently completed it). Please note, all adults with parental responsibility have permission to collect. Your child will not be able to walk home until this has been completed and returned to your child's class teacher.

Thank you for continuing to work with us to ensure that every child in our academy is kept safe.
