**Reception Fine and Gross Motor Workshop
Tuesday 18th November 2025**

Dear Parent(s)/Carer(s),

We are holding a Fine and Gross Motor Workshop on Tuesday the 18th November from **9:15am – 10:00 am** in the hall. Please go to the green gate at the front of the school (the entrance to Oasis Plus wrap around care) where we will let you in and then bring the children down to meet you.

There will be a range of activities set up to promote children's fine motor development, such as using tweezers, threading, and playdough. There will also be a range of gross motor activities set up to explore such as bean bag throwing, balancing and skittles. All of these are activities that the children take part in in school to promote their physical development and skills. Please let us know if you are coming by telling your class teacher as soon as possible.

We look forward to welcoming you into school.

Yours sincerely,

The Reception Team.
