

Marvelous Maths
Numerical Patterns Workshop 2026.

Dear Parents/ Guardians,

We are pleased to invite you to our Marvellous Maths Workshop which will take place on Friday 15th of May at 9:15am – 10:00am. The green gate at the front of the school will be opened at 9:15am where you will be directed to the hall to meet your child/children and explore lots of maths activities together.

This is a great opportunity to share with you the things that we are working on in Reception Maths, in particular Numerical Patterns which is a big focus this term. Class teachers will be available to answer any questions regarding how you can best support your children at home in this area. Please let your class teacher know if you will be attending.

We look forward to seeing you there!

Yours Sincerely,

The Reception Team

Principal – Mrs S Owen
