

15th September 2025

Dear Parents/Carers,

This Friday, 19th September, we will have our school photographers in to take individual portrait photos of the children. These pictures will take place throughout the school day.

If your child normally has PE on a Friday, please send their PE kit in a separate bag to change into as all children should be in full uniform for the picture.

Sibling photos will take place before the start of the school day. The Shap drive gate will open at 8am for you to be able to take your children to the KS2 hall for sibling photos. If you arrive significantly after this time we cannot guarantee there will be time for your sibling photo. Children will then make their way back to the playground to wait for the start of the school day, children should be accompanied by parents/caters until the classroom doors open as normal.

If your child attends Happy Hearts or Early Explorers and Friday is not a day they normally attend but you wish for them to have a photo please bring them to the academy office at 9:30am.

Kind Regards,

Academy Admin.
