

Dear Parent/Carers,

As an academy we are required to log and track all medical conditions and allergies of our students.

We are aware that sometimes medical conditions and allergies can change throughout childhood and therefore we are asking all parents to support us in getting the most up to date information for all our students.

Please complete the form below and return to your child’s class teacher by **Friday 3rd February** even if your child has no allergies or medical conditions.

Oasis Academy Warndon- Allergy and Medical Condition update

Child’s name: _____ Class: _____

Date of birth: _____

My child has no medical conditions or allergies. I will inform the academy if this changes. []

If you have ticked the above to indicate your child has no medical conditions or allergies, please go to the end of the form to sign and date.

Signed (parent/carer) _____ Date: _____

The Academy is part of Oasis Community Learning (OCL). OCL collects and processes personal data. Personal data is any information that can lead to the identification of a specific individual.

Data we collect relates to various groups of data subjects (i.e. individuals) including parents, carers, students, siblings, our employees, volunteers and others involved in the life of the Academy. Data is collected for a variety of purposes including our legal and educational obligations, as well as statistical reporting. Some personal information we process is required to meet these obligations, whilst other information we process requires the specific consent of the individual and is optional and these circumstances are clearly indicated where relevant. The data is retained and managed in accordance with the OCL Data Protection and associated policies. More information about the processing of data within OCL can be found on the Academy and OCL websites within the Privacy Notice or can be obtained by contacting the Academy directly.
