Y6 Trip - Black Country Living Museum

As part of our history topic, we have arranged a trip to The Black Country Living Museum, near Dudley. We will be taking the Y6 children on our school minibuses – each class attending on a different day:

6P - Wednesday 8th February 2023.

6T - Thursday 9th February 2023.

6C - Friday 10th February 2023.

Whilst at the museum, the children will be able to develop the knowledge they gained last year of The Industrial Revolution and the part it played in their local area. As well as being able to explore the many attractions at the museum, the children will take a tour around the recently reconstructed Victorian mine shaft and see first-hand the brutal working conditions faced by the workers.

The cost of the trip is absorbed into your annual trip payment which the office sent a letter out about at the start of the term. If there are any issues with payment, please contact the office where any problems can be discussed.

This is a whole day trip so please ensure that your child arrives at school, **in school uniform**, promptly as each class will leave shortly after the register. We will be unable to wait for any late arrivals. We are aiming to be back before the end of the school day but will keep you informed if there are any delays.

Please send your child in with a packed lunch and drink on this day. If your child is entitled to free school meals, we can make them a packed lunch – this just needs to be indicated on the slip below. As the weather is likely to be cold, please ensure your child is suitably dressed for the day as a section of the trip is likely to be spent outdoors.

Please complete the following return slip to confirm your child’s attendance and return by **Tuesday 31st January.**

Thank you for your continued support,
The Year 6 team.
