

Trip to Sealife Centre Birmingham

Dear Parents/Carers,

As part of the curriculum this term your child will be learning about classifying animals and we will be going on a visit to **Sealife Centre Birmingham** to explore this further. The Sealife Centre Birmingham has a range of aquariums with lots of marine habitats and animals on display where the children will have the opportunity to learn about all elements of marine life.

The trip will take place on the following dates:

Class 1B: Wednesday 5th October 2022

Class 1P: Thursday 6th October 2022

The trip will take place in the academy day, but please ensure you arrive promptly as transport will be unable to wait for any late arrivals. Children should bring a packed lunch with them and a drink in a named bag. As your child is entitled to free school meals the academy can provide a lunch from the kitchen, please indicate your requirements below. Children should wear their normal school uniform with school jumper and have a waterproof coat depending on the weather.

This cost of this visit is included in the annual trip payment for which information was sent out last week. Please contact the office if you have any questions regarding this.

Please complete the reply slip below to provide permission for your child to attend. Please also indicate any medical information or allergies your child may have. Reply slips must be back with the class teacher by **Wednesday 28th September 2022**.

Yours faithfully,

Year 1 team
