### SATs Parent Workshop

Dear Parent(s)/Carer(s),

We would like to invite you to attend our SATs parent workshop on **Wednesday 21st January 2026**. We will be running one session at **2:15pm-3:00pm** and a later session on this day at **5:00pm – 5:45pm**. The afternoon session will be in the KS2 hall and the evening session in the KS1 hall. A member of staff will be present to let you in through the side gate (by Oasis Plus) just before the session begins to allow you time to sign in and settle.

The parent workshop will cover:

- SATs week information
- SATs style questions
- How you can support your child
- How we support your child
- Information on ordering SATs revision guides
- Information about the SATs breakfast
- A chance to ask any questions you have

As mentioned, this workshop will provide you with the useful opportunity to experience past SATs papers and the expectations of the current curriculum while breaking down what the various scores mean. It will also inform you of the support we offer both educationally and emotionally.

If you would like to attend either of the 2 sessions, please complete the forms link below [or scan the QR code to register your interest by Friday 16th January](#). This gives us an understanding of who to expect and we can also ensure those of you attending the 'in school' session can have your child present in the hall with you.
