PCSO Assembly – 3rd June 2026.

Dear parents/carers,

We would like to inform you that your child will be attending a school assembly led by our local Police Community Support Officer (PCSO).

The assembly will focus on staying safe on social media and will cover age-appropriate guidance on topics such as online behaviour, privacy, and what to do if something online makes them feel worried or uncomfortable. The session is designed to support our ongoing work in helping children understand how to use the internet safely and responsibly.

This is a valuable opportunity for pupils to hear key safety messages from a trusted community figure and to ask questions in a safe and supportive environment.

If you have any questions about the assembly, please do not hesitate to contact the school.

Thank you for your continued support.

Yours faithfully,

The Year 5 and Year 6 Team
