Jeans for Genes Day- Friday 17th September 2021

Dear Parent/Carer,

'Jeans for Genes Day' is Friday 17th September. As a school, we are proud to be joining many others around the UK in the fundraising to help improve the lives of children who live with life-altering genetic disorders. 1 in 25 children has a genetic disorder that makes their life very difficult. That's like one in every class. By wearing our jeans and donating, we will change the lives of these children.

We would like to invite children to come in wearing their jeans with the rest of their school uniform. Children will be required to bring in a suggested donation of £1. If you would like to find out more about how your donations will support children and more about the charity please refer to this website <https://www.jeansforgenesday.org/>

Thank you in advance for your support.

Yours faithfully,

A handwritten signature in black ink that reads 'S Owen'.
