

29th March 2022

Dear parent/carer (s)

We are very excited to tell you about a new initiative we are launching with the Charity Life Savers. This will include:

- Education around the basics of financial management incorporated into our curriculum – watch out for lots of excitement about Milo’s Money;
- A weekly Savings Club in partnership with 6 Towns Credit Union. This will be staffed by Cashiers from year 6 and will allow all our students to make deposits and watch their savings grow over time.

What we need from you

When the Savings Club launches after the Easter holiday, children will be able to open their savings account on their academy iPad. The account will need parental supervision which requires ID to be uploaded with the application. Details and instructions will be available within the on-line application.

Each Tuesday morning the Savings Club will allow students to make deposits and they can watch their balance grow through on-line banking.

We will be looking to give some of our Year 6 students a taste of the commercial world through a selection process for the Cashier positions.

The Savings Club will be overseen by adult volunteers as well as staff and we would welcome anyone who has an interest in supporting us.

Accounts need to be opened on-line at: [Apply for junior savings account | sixtowns.co.uk](https://www.sixtowns.co.uk)

A few notes to help with the application:

- The mobile number can be a parent/trustee’s number.
- There is an option for the trustee to set up an account for themselves, but this is not necessary.
- No documents are required for the pupil as the Academy will verify their identity.
- However, the child needs to sign the on-line application form.
- The system will confirm the application has been submitted and will subsequently let you know what happens next.

Yours sincerely,

Suzanne Owen
Principal
