Year 1 Horizons workshop

Dear Parents/ Carers,

Now that Covid-19 restrictions have eased, we are pleased that we are able to open the doors to the academy again and invite parents and carers in to take part in parent workshop events.

We are running a workshop on **Friday 29th April at 9am**. This will be based in classrooms to showcase the Horizons curriculum and allow you to see what wonderful digital citizens our children are becoming.

The school gates will open as normal at 8:40am. Please wait outside the classroom door while the children are registered and then you will be able to join your child in their class.

Please let your child's teacher know if you will be attending by completing the Microsoft form below, or return the reply slip at the bottom of the page.
