

Welcome Back!

We hope that you had a lovely summer and we are pleased to see everyone back and ready for the start of term!

English:

We will be focusing on writing our own version of the story 'Stardust' with the focus of holding and writing our own sentences using interesting vocabulary. Handwriting is also a key focus throughout Year 1.

Maths:

The focus for the first part of this half term is the composition of numbers and addition and subtraction. We will then be moving on to learn about measure.

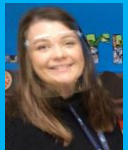

Character Curriculum:

Our theme this half term is 'Who am I and who am I becoming?' We will be learning about the history of ourselves and the type of people that we want to become, through the focus of our 9 habits.

The Year 1 Team

Thank you for your continuous support, if you have any questions, please do not hesitate to ask!

Left to right: Mrs Clarke, Miss Perry, Mrs Pearce, Miss Davies, Miss Perks

Key Reminders:

Attendance is incredibly important throughout the school year. Children need to be attending regularly as they are learning important skills and curriculum content.

iPads Please make sure that iPads are brought into school everyday, fully charged. This will mean that the children can get the most out of their learning by using technology in fun and creative ways.

PE days for Y1 are Wednesdays and Fridays. Please ensure that children have a full PE kit in school so that they can take part in their PE lessons.

Uniform Children should be in full uniform, with correct footwear each day.

Homework

Sumdog

Soon, your child's class teacher will be providing you with a login to Sumdog. At home, your child can then practice their Maths fluency skills, so that they become secure in their addition, subtraction, multiplication and division recall.

OAW Loves To Read:

Regular reading is vitally important to your child's academic progress and we expect children across our academy to read 5 times a week (independently or with an adult). Reading records must be signed by parents/carers on GoRead. This will help support your children in passing the phonics screening test which takes place in June 2022.
