

We hope that you had a lovely summer and we are pleased to see everyone back and ready for the start of the term.

The Year 2 Team

Thank you for your continuous support, if you have any questions, please don't hesitate to ask!

Left to right: Miss Worthington, Mrs Tudge, Miss Taylor, Mrs Jefferies, Miss Cole

English:

This term we will base our fiction writing around some brilliant books such as 'The Tear Thief' by Carol Anne Duffy. We will also be writing poetry linked to our theme of 'Who we are and who we are becoming.'

Maths:

The focus for the first part of this half term is exploring numbers within 100. We will then move on to different measures such as capacity and temperature. Children will be exploring these areas using a variety of resources.

Character Curriculum:

Our theme this half term is 'Who am I and who am I becoming?' We will be learning about the history of ourselves and the type of people that we want to become, through the focus of our 9 habits.

Key Reminders:

Attendance is incredibly important throughout the school year. Children need to be attending regularly as they are learning important skills and curriculum content.

iPads Please make sure that iPads are brought into school everyday, **fully charged**. This will mean that the children can get the most of their learning by using technology in fun and creative ways.

PE days for Y2 are Mondays and Wednesdays and Fridays. Please make sure that children have a full PE kit in school to make sure that they can take part in their PE lessons.

Uniform Children should be in full uniform, with correct footwear each day.

Sumdog: Soon, your child's class teacher will be providing you with a login to Sumdog. At home, your child can then practice their Maths fluency skills, so that they become secure in their addition, subtraction, multiplication and division recall.

Spellings A new spelling rule will be introduced each week.

Children can use the EdShed Spelling app to play games linked to their spelling rule for the week.

Reading Regular reading is vitally important to your child's academic progress and we expect children across our academy to read 5 times a week (with an adult).

Please remember to log your child's reading on GoRead.
