

12 November 2021

**Year 2 – Technology workshop for parents  
Wednesday 24<sup>th</sup> November 2021  
2:30-3:15pm**

Dear Parent(s)/Carer(s),

Our parent workshop will be on **Wednesday 24th November** from **2:30-3:15pm** in your child's classroom. We will be focussing on the use of iPads to support the children's learning. We will be sharing with you how we use the iPads in school and how these can be best used to support your child's learning at home.

The children will be with you during this session and you will have a chance to explore the technology available together.

**Please note that this is a provisional date, and we will reassess the situation regarding Covid19 closer to the time. From this, we will make a decision as to whether this workshop can go ahead safely.**

We look forward to hopefully being able to welcome you into school. Please wait at the Shap Drive entrance at 2:30pm, and then make your way to your child's normal classroom/drop off point.

Yours sincerely,

Miss Worthington

Miss Cole

Miss Taylor

**Principal – Mrs Suzanne Owen**
