

## YEAR 3 NEWSLETTER Autumn 21

### Maths and English

#### English

Throughout the Autumn Term Year 3 will be working on Jemmy Button followed by poetry from Carl Colagioanni. Then we are looking at writing a set of instructions and a transformation story based on George's Marvellous Medicine.

#### English Challenge

We expect that children read every day. It can be a book from school, library or even a comic book or football magazine. **Please complete** the GoRead App record, listen to your child read, and discuss it with them when you can. Make sure you are practicing your spellings on EdShed every night too!

#### Maths

This term children will be working on a variety of different areas within maths that will help them solidify their foundations. We will look at Place Value, Addition and Subtraction and then follow with multiplication and division.

### Welcome Back!

We hope that you had a lovely holiday and we are pleased to see everyone back and ready for the start of the term.

#### Key Reminders

- **Classroom doors open at 8.45am.** Please make sure that children are here on time in the mornings.
- **PE days for Y3 are Monday, Thursday and Friday.** Please make sure all children have a full kit ready for these days. We suggest bringing kit in on a Monday and taking it home on Fridays to avoid missing kit!
- **Homework** as usual will be TTRS, Edshed, MyOn/Accelerated Reader.
- **Uniform**  
Children should be in full uniform, with correct footwear each day.
- **Attendance** is incredibly important throughout the school year. Children need to be attending regularly as they are learning important skills and curriculum content. This also includes being in school on time.

### Horizon Project

Please can you make sure your child's iPad is completely charged each night and with them ready for the morning. Our curriculum this year is heavily iPad based and every lesson involves them.

Patient	Forgiving	Self-controlled
Humble	Honest	Considerate
Joyful	Hopeful	Compassionate

Children will continue working on the 9 Habits this term, with special focus on introducing our new 'habit' characters.

### Our theme this term is 'Who are we? Who are we becoming?'

Children are introduced to the Oasis Global focus for their year group which is **Uganda**. Children explore the physical and human characteristics of the UK.

History lessons build an understanding of chronology beginning by focusing in on the self and ordering significant events in the child's life so far. We will look at art as a form of expression and preference linking it to Oasis Uganda.

Afterwards, in Autumn 2, we will look at citizenship around the world and what it means to be a world citizen.

*We are delighted to see the children back in action after such a tricky period. We thank you for your support and cannot wait to see what marvellous learning can happen in Year 3!*

Miss Davies, Miss Timmins, Mrs Willett and Ms. Anthony.
