

YEAR 4 NEWSLETTER Autumn 21

Maths and English

English

Throughout the Autumn Term Year 4 will be working on Charlie and the Chocolate Factory followed by poetry from Paulo Coelho. Then we are looking at making a holiday advert and a journey story based on Moon Man by Tomi Ungerer.

English Challenge

We expect that children read every day. It can be a book from school, library or even a comic book or football magazine. **Please complete** the GoRead App record, listen to your child read, and discuss it with them when you can.

Maths

This term children will be working on a variety of different areas within maths that will help them solidify their foundations. We will look at Place Value, Addition and Subtraction and then follow with multiplication and division.

Welcome Back!

Enhancing learning for all

Children will continue working on the 9 Habits this term, with special focus on introducing our new 'habit' characters.

Our theme this term is 'Who are we? Who are we becoming?'

Children are introduced to the Oasis Global focus for their year group which is Mozambique. Children explore the physical and human characteristics of the UK.

History lessons build an understanding of chronology beginning by focusing in on the self and ordering significant events in the child's life so far. We will look at art as a form of expression and preference linking it to Oasis Mozambique.

Afterwards, in Autumn 2, we will look at citizenship around the world and what it means to be a world citizen.

We are delighted to see the children back in action after such a tricky period. We thank you for your support and cannot wait to see what marvellous learning can happen in Year 4!
