

Fire Safety Talk

Dear Parents and Carers

On Wednesday 10th November, Year 5 will welcome an officer from the Hereford and Worcester Fire Authority to provide a fire safety talk.

This will include how to make a 999 call, the What 3 Words app, electrical, kitchen and candle safety and the importance of fire alarms.

The talk will also explain the role of the Fire Service, what they wear, appliances, and equipment on fire trucks. There will be a short video clip showing how fire spreads.

This should prove to be a very interesting and informative talk and all Year 5 children will take part in this.

If you would like any further information, please speak to Mrs Blow.

Yours faithfully

Mrs R Blow
