

## Year 2 Orienteering Workshop

Dear Parents/Carers,

We are excited to invite you and your child to our upcoming **Year 2 Orienteering Workshop**, a fantastic outdoor adventure designed to develop key learning skills and personal growth in a fun and engaging way!

Orienteering is much more than just following a map—it is a wonderful opportunity for children to build essential life skills such as patience, self-control, teamwork, and resilience. As they navigate through different challenges, children will learn to problem-solve, think critically, and work collaboratively, all while developing their confidence and perseverance.

This experience also fosters compassion and humility, as children support one another and celebrate each other's successes. By working together to complete the course, they will gain a deeper understanding of the importance of kindness, encouragement, and learning from mistakes.

As this activity will take place outdoors, please ensure that you wear **weather-appropriate clothing and sturdy footwear** to keep yourself comfortable throughout the session. The children will be wearing their school uniforms and will change into wellies and waterproof coats if necessary.

### Event Details:

 **Date:** Wednesday 25<sup>th</sup> March

 **Time:** 2:15-3pm

 **Location:** Shap Drive Gates

In case of **adverse weather**, a message will be sent out cancelling the workshop and we will rearrange for a different date.

We look forward to an exciting day of exploration, learning, and adventure!

**Best regards,**

The Year Two Team

**Principal – Ms S Gill**
