Child on Child Sexual Harassment/Abuse

The subject of Sexual Harassment/Abuse in schools and colleges is more prevalent than ever currently.

Since the assault and murder of Sarah Everard, there has been a wave of disclosures and testimonies on the anonymous website 'Everyone's Invited'. In light of the recent media coverage and disclosures of Sexual Harassment/Abuse, it is clear that now more than ever, we ALL need to be more aware of the language used. We need to be making sure students have a thorough understanding of what consent is and also having conversations with our young people about what is acceptable and what is NOT OK to say or do!

We need to be promoting Respect - both for ourselves and for others. Parents have a hugely important role to play in reducing levels of sexual harassment/abuse.

With our whole school approach, we hope that you will be fully engaged and feel supported to be able to address the subject with your children. As mentioned, Oasis Warndon takes any report of this kind extremely seriously, you can rest assured that the matter will be fully investigated in a sensitive manner. It is important to remember that these kind of behaviours happen to both males and female.
